TORONTO – Canada's largest hotel, [Chelsea Hotel, Toronto](#), is a proud supporter of SickKids Foundation, the largest charitable funder of child health research, learning and care in Canada which provides critical support for patients at The Hospital for Sick Children (SickKids), one of the world's foremost paediatric health-care institutions. As part of SickKids Foundation's *Donor of the Week* celebration, Chelsea Hotel will present a cheque for C\$100,000 on Tuesday September 20, 2016 at 10:30 a.m. in the Atrium at SickKids.

"The ability to "give back" to the community is not only an important philosophy of the Chelsea Hotel, Toronto but it is something the hotel practices every day. We are not only willing to go above and beyond to bring comfort to our guests, but also to bring comfort to families in need in the local community in which we operate. It is our hope to not only increase awareness for SickKids, but to continue to raise much needed funds to help those children in their care," said Josef Ebner, regional vice-president – Canada & managing director, Chelsea Hotel, Toronto.

For the past fifteen years, the annual Chelsea Charity Golf Classic has raised funds and awareness for charity and this year's event will support [AboutKidsHealth.ca](#) – a health education resource for children, youth and caregivers that empowers families to become a partner in their own health care by equipping them with reliable, evidence-based health information that is easy to understand and immediately available, regardless of where they are in Canada or the world. In 2014, Chelsea Hotel announced a new partnership with SickKids Foundation as part of their corporate social responsibility efforts. The hotel committed to a five year fundraising plan with a goal of \$500,000 over five years to support [Ages and Stages](#), an online information portal on the AboutKidsHealth website offering resources for parents about child development and common health issues. AboutKidsHealth is part of the Learning Institute at SickKids.

“SickKids is grateful for the generosity of the Chelsea Hotel through their ongoing support of AboutKidsHealth.ca,” said Seanna Millar, vice president, corporate partnerships, SickKids Foundation. “Their five-year commitment will impact the lives of families across the country and around the world who rely on this online resource as a credible and accessible source of health care information about their children’s health and development.”
